g. Unfinished Business

1. Application #22-02 - Jonathan Krug, 163 Mell Road, presented a hand drawing for reference of drainage issues impacting his property. He mentions searching for a pipe from Mell Road that may be contributing to the water problem. Chairman Hamel advised Mr. Krug to contact the Road Foreman, Jonathan Sparkman before he digs in the area of a possible town pipe. J. Theroux tells J. Krug he feels this is not a wetlands issue but rather a storm water /drainage issue and the Commission was not opposed to his right to drain or improve this area. J. Theroux tells Mr. Krug that a pipe is not an option. He says the pond created by Mr. Krug was okay to leave but needed detail plan for overflow such as open swale area. Mr. Theroux said he would visit the property to inspect. R. Hamel proposed to table this issue for one month in order for Mr. Krug to contact the Road Foreman and prepare his plan of action. Matter will continue at the May 17th meeting.
