1. K. Mahler – 223 North Burnham Highway -
K. Mahler, representative for the Town of Lisbon, presented a proposal for the improvement of a certain area of the farm roadway on town owned property, located at 223 North Burnham Highway. In agreement with Staff J. Theroux, the area of roadway in question leading to the back fields will be “boxed” with a pay loader or similar equipment, a layer of filter fabric will be put down, then a layer of rip-rap or similar stone, then bank gravel on top. Staff J. Theroux said this is a permitted use as of right for farming operations per section 4 of the regulations, and no wetlands permit is required to carry out this proposed activity.
Motion was made by J. Lewerk second M. Robinson to recognize and agree that, based on information received at this meeting, this notification falls under definition as a “permitted use as of right” under section 4 of the regulations as agricultural use; therefor, a wetlands permit is not needed for this proposed activity.
